

CRELUX, part of WuXi AppTec's Research Service Division, is a global provider of structure based drug discovery solutions.

We have been delivering customized and integrated services in drug discovery, X-ray crystallography, protein supply, biophysical analysis and fragment screening, to support small and large molecule, as well as biopharmaceutical drug discovery, for more than a decade. Our mission is to enable our clients to perform their work faster, more efficiently and more successfully. Integrating the comprehensive portfolio of services offered by our parent company WuXi AppTec, CRELUX offers a unique opportunity for our collaborators to accelerate discovery activities.

Role

A new opportunity has arisen for a research associate (experienced technician, BSc or MSC (m/f/d) to join our growing Biophysics & Screening Team.

Responsibilities

You will work independently and as part of a team within the scope of our projects and ensure the high quality of our research services. Your tasks include, among others:

- Biophysical characterization of interactions using MST, SPR, ITC and DSF
- Application of various protein analysis techniques in quality control such as nanoDSF/DSF and DLS
- Data analysis and documentation

Required Skills

- Experienced technician (MTA, BTA, UTA, PTA, ATA, LTA), Bachelor, Master in chemistry, biology, biophysics or a related subject
- A background in a relevant area such as biophysics, molecular biology or biochemistry
- Good knowledge in the application of biophysical methods of protein analysis and/or in-vitro assays such as MST, SPR, DSF or ITC as well as knowledge in the use of robotic systems is an advantage
- Proficiency in common MS Office applications and in the use of IT systems
- Good spoken and written German and English
- Self-motivated, structured and reliable working practice
- Team Player

We offer

A permanent contract of employment as well as an exciting and wide-ranging job in an international, innovative environment of pharmaceutical contract research.

Are you interested?

We look forward to receiving your detailed application by email, with a cover letter and a current CV, stating your desired salary and the earliest possible starting date, to our human resources department, Ms Evelyn Frey-Royston, Email: crelux_office@wuxiapptec.com.
