

CRELUX, part of WuXi AppTec's Research Service Division, is a global provider of structure based drug discovery solutions.

We have been delivering customized and integrated services in drug discovery, X-ray crystallography, protein supply, biophysical analysis and fragment screening, to support small and large molecule, as well as biopharmaceutical drug discovery, for more than a decade. Our mission is to enable our clients to perform their work faster, more efficiently and more successfully. Integrating the comprehensive portfolio of services offered by our parent company WuXi AppTec, CRELUX offers a unique opportunity for our collaborators to accelerate discovery activities.

Role

A new opportunity has arisen for an experienced senior Scientist (experienced PhD in Biophysics) (m/f/d) to join our growing Biophysics & Screening Team based in Munich, Germany.

In close collaboration with the various departments at Crelux you will work on biophysics & screening projects covering a wide variety of target classes. Your main responsibilities will include the planning of biophysics & screening projects, supervision of projects and the communication of results to our clients.

Responsibilities

- You will present results internally and externally (in meetings with clients)
- Research of scientific literature relevant to the project
- Careful documentation and evaluation of scientific protocols and results
- Close communication with the various scientific and administrative departments
- Professional communication and discussion of results with our clients
- The ability to plan work in order to meet planned timelines
- Maintain an up-to-date knowledge of scientific advances in biophysics

Required Skills

- Extensive experience with biophysical methods, especially in the area of MST, SPR, ITC, DSF/nanoDSF/DLS & FP.
- 2+ years of relevant work experience in the field of drug discovery
- Structured, self-reliant and independent working style
- Creativity and high problem-solving skills
- Enjoy working in a team
- Good communication skills
- Fluent English language skills

Desired Skills

- 2+ years industry experience
- Fluent German language skills
- Team leading experience

We offer

A permanent contract of employment as well as an exciting and wide-ranging job in an international, innovative environment of pharmaceutical contract research.

Are you interested?

We look forward to receiving your detailed application by email, with a cover letter and a current CV, stating your desired salary and the earliest possible starting date, to our human resources department, Ms Evelyn Frey-Royston, Email: crelux_office@wuxiapptec.com.
